Dear Parent/Carer

Maths Workshop for Parents

It is with great pleasure that we invite you to attend a Maths Workshop at school on **Thursday 16th November from 5:30pm - 6:30pm.**

Each year group teacher will deliver the workshop in which they will model the different strategies and methods that your child is taught at school. Teachers will share ideas to help encourage and engage the children in their maths learning at home.

The aim is to give you a better of understanding of how the children will be learning at school and allow you to have a go at some practical activities to help your child.

We hope that this will help you support your child in Maths at home and to become more familiar with the pitch and expectation of Maths for your child’s year group.

If you would like to attend, please return the slip below by **Friday 10th November.**

Thank you for your continued support.

Mr Thompson
 Maths Leader

Maths Workshop for Parents

I/We would like to attend the Maths Workshop on Thursday 16th November from 5.30 pm – 6.30 pm.

Name of Child: _____ Class: _____
