Mrs Marsh - 'All About Me'

I come from a healthcare background working within inpatient services, CAMHS, and more recently ADHD. As a Psychologist, I understand the importance of mental health within the learning environment and am excited to bring this knowledge and experience to the school. I am looking forward to joining the Wood Fold family in the coming academic year as a trainee teacher and am eager to learn new skills! I love reading and science and look forward to encouraging pupils to find their own passions.

Competition Winner

We are so proud of Jasmine in Y4Hu who has won first prize in the Earth Day Competition run by RJT Solicitors in Standish. The competition was to raise awareness of the importance of environmental conservation and sustainability and was also open to other local schools with Jasmine's short story being chosen as the winner! She was invited to attend a presentation at RJT Solicitors on Wednesday where she received her fabulous prize of a £100 Smyths Voucher! Well Done Jasmine!
